Questions & Answers:

- Q1.** Can I limit users' access to different time period?
- A1.** Yes, for example you could limit parents' access to weekdays 8am-6pm, while the cleaner's access to Sat 10am-2pm. You may set upto 10 different time periods.
- Q2.** Is it easy to remove a user from the system?
- A2.** Yes, you could easily delete any user from the system using the software.
- Q3.** How do I cover the ongoing cost of keyfob?
- A3.** Many nurseries keep a deposit of £5 from parents to cover the cost of replacement. When a keyfob is returned, it can be re-used again to another user.
